

ALBERTO S. JIMÉNEZ GARCÍA

APPLIED AI · FULL-STACK · AUTOMATION · PRODUCT ENGINEERING

Product builder focused on applied AI, full-stack development and automation. I turn real operational problems into useful systems, from idea and architecture to deployment and troubleshooting.

02 SELECTED PRODUCTS & EXPERIENCE

NexOS Digital Studios

Founder / Product & AI Engineer

01 PilotOS

TAXI OPERATIONS PLATFORM

Born from my own taxi operation; it grew into a full-stack system for daily management and driver workflows.
